

SPLAT!

Sharing, Praying, Learning, Action, Thinking

All children and young people are really welcome to join **SPLAT!** on a Sunday morning.

We offer a fun, safe place for children, young people and their families, where we can get to know one another and explore our faith.

STEPS is our new group for toddlers and any children up to age 8 involving songs and play based around a story.

SPLAT and STEPS normally run on the 1st and 3rd Sundays of the month.

A new arrival...?

The Wesley community welcomes people of all ages and backgrounds, and enjoys celebrating with people the significant events of life.

If you would like to mark the arrival of a child through a baptism or thanksgiving service our ministers, Christine and Neil, would be pleased to chat with you. Please contact the office for details.
